ACHIEVEMENTS & VOLUNTEERING EXPERIENCE

- **Achievements**
Participation in National Science Congress Event, held at Jawahar Navodaya Vidyalaya, Pune in collaboration with National Chemical Laboratory, Pune.
- **Volunteering Experience**
I work as a core team member at UDAAN - Competitive Club, GECA.

PERSONAL PROJECTS

- **University Website Design**
The project is created with the aim of creating effective university website that can increase conversions, strengthen institution credibility and brand, improve user satisfaction, and save time and money.
- **Text Utility Application**
The text utility application is software that allows us to perform various operations on given piece of text.
- **To-Do List**
To-Do List project is an application specially built to keep track of errands or tasks that need to be done. This application will be like a task keeper where the user would be able to enter the tasks that they need to do. Once they are done with their tasks, they can also remove them from list.
